

§ 24.422 Amendment of application for Narrowband Personal Communications Service filed on FCC Form 175.

(a) The Commission will provide bidders a limited opportunity to cure defects in FCC Form 175 specified herein except for failure to sign the application and to make certifications. These are defects which may not be cured. See also Section 1.2105 of this chapter.

(b) In the Narrowband PCS, applicants will be permitted to amend their Form 175 applications to make minor amendments to correct minor errors or defects such as typographical errors. Applicants will also be permitted to amend FCC Form 175, to make ownership changes or changes in the identification of parties to bidding consortia, provided such changes do not result in a change in control of the applicant and do not involve another applicant (or parties in interest to an applicant) who has applied for any of the same licenses as the applicant. Amendments which change control of the applicant will be considered major amendments. An FCC Form 175 which is amended by a major amendment will be considered to be newly filed and cannot be resubmitted after applicable filing deadlines. See also § 1.2105 of this chapter.

[59 FR 44072, Aug. 26, 1994]

§ 24.423 Amendment of applications for Narrowband Personal Communications Service (other than applications filed on FCC Form 175).

This section applies to all applications for Narrowband Personal Communications Service other than applications filed on FCC Form 175.

(a) *Amendments as of right.* A pending application may be amended as a matter of right if the application has not been designated for hearing.

(1) Amendments shall comply with § 24.429, as applicable; and

(2) Amendments which resolve interference conflicts or amendments under § 24.429 may be filed at any time.

(b) The Commission or the presiding officer may grant requests to amend an application designated for hearing only if a written petition demonstrating good cause is submitted and properly served upon the parties of record.

(c) *Major amendments, minor amendments.* The Commission will classify all amendments as minor except in the cases listed below. An amendment shall be deemed to be a major amendment subject to § 24.427 under any of the following circumstances:

(1) Change in technical proposal. If the amendment results in a substantial change in the engineering proposal such as (but not necessarily limited to) a change in, or an addition of, a radio frequency; or

(2) Amendment to proposed service area. If the amendment extends the reliable service area of the proposed facilities outside its MTA, BTA, or other applicable market area as defined in § 24.102; or

(3) A substantial change in ownership or control.

(d) If a petition to deny (or other formal objection) has been filed, any amendment, requests for waiver, (or other written communications) shall be served on the petitioner, unless waiver of this requirement is granted pursuant to paragraph (e) of this section. See also 47 CFR 1.2108.

(e) The Commission may waive the service requirements of paragraph (d) of this section and prescribe such alternative procedures as may be appropriate under the circumstances to protect petitioners' interests and to avoid undue delay in a proceeding, if an applicant submits a request for waiver which demonstrates that the service requirement is unreasonably burdensome.

(f) Any amendment to an application shall be signed and shall be submitted in the same manner, and with the same number of copies, as was the original application. Amendments may be made in letter form if they comply in all other respects with the requirements of this chapter.

(g) An application will be considered to be a newly filed application if it is amended by a major amendment (as defined in this section), except in the following circumstances:

(1)–(2) [Reserved]

(3) The amendment reflects only a change in ownership or control found by the Commission to be in the public interest;

(4) [Reserved]
